*gen.*  
AN ACT ...; **relating to:** fishing and trolling in boats with electric motors. ✓

*special*  
**Analysis by the Legislative Reference Bureau**

*holding a fishing license*  
*her*  
Under current law, the Department of Natural Resources must issue a special permit to a physically disabled person if his or disability meets certain criteria. A person with such a permit may fish or troll in a boat with an electric motor on waters where motorized boats are prohibited. This bill expands this provision to include such a disabled person who is exempt from having a fishing license. Under current law, persons under the age of 16 and certain elderly residents are exempt from having fishing licenses. ✓

Also, under the bill, a person who is in the same boat and who is assisting a disabled person holding a special permit with fishing or trolling may also fish or troll if the person has a fishing license or is exempt from having a license. ✓

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

*X*  
SECTION 1. 29.193 (1m) (b) of the statutes is amended to read: ✓

2 permit issued under sub. (2) may fish or troll in the waters of this state using an  
3 electric motor, A person who ~~accompanies or~~ assists the disabled person in the same  
4 boat may also fish or troll if he or she also holds a current fishing license or is exempt  
5 from holding a license. A person may use an electric motor under this subsection  
6 notwithstanding any ordinances enacted under s. 30.77 (3) that prohibit the use of  
7 motor boats on navigable waters and <sup>such</sup> The use of motor is subject to any rules  
8 promulgated by the department regarding the use of electric motors for fishing or  
9 trolling by disabled persons.
